Invite Young Musicians Chamber Orchestra Rehearsal Saturday

Next rehearsal of the South Bay Junior Chamber Orchestra will be held on Saturday, Sept. 14, at the Lomita Recreation Center. The group meets from 3:30 to 5:30 p.m. on the second and fourth Saturdays of each month in the gymnasium of the Lomita Recreation Center, 24428 Eshelman Ave.

The orchestra, formerly known as the South Bay Junior String Orchestra, was previously made up entirely of young string players but will now expand to include clarinets, oboes, flutes, bassoons, French horns, trumpets and percussion instruments. The orchestra will now be able to schedule more diversified concerts, still featuring string chamber music, but will perform some of the symphonies of the Baroque Period as well. All young musicians, with two years of study on their particular instrument, are invited to

attend the first rehearsal and must bring a music stand.

Work will begin immediately on a fall concert. Featured work will be music of "Oklahoma" by Rogers and Hammerstein since it is the twenty-fifth anniversary of the opening of that famous Broadway hit.

The opening concert will be the Second Annual Picnic and Pizzicato Concert. Families will be invited to bring a picnic supper to be followed by music of a pop nature. Concert date will be announced later.

Violinist Paula Gwinn, who played for fifteen years with the Denver Symphony in the first violin section, is the conductor of the group.
